April 29, 2019

Dear Parent/Guardian(s):

Keystone Exams will be administered May 14th to May 24th. Any missed Keystone exam must be made up during Open Campus Finals. The Open Campus exam schedule and the Keystone exam schedule will be posted on the High School website on May 8. Other important end of the year events for the high school are attached to this letter. In addition, this letter and other additional information is posted on the High School website.

Beginning May 28th and continuing through June 3rd, open campus finals will be given at the high school. During open-campus days, students are only required to come to school to take their final during class time, although students are welcome to stay all day to complete work, projects, and/or study. Teachers are available throughout the day for support and lunch is available in the cafeteria. **Keep in mind that students must attend on their scheduled final dates unless a medical slip is provided to the office ahead of time.**

Many students decide to leave the building between finals. **No student will be permitted to leave the school between finals unless a parent/guardian signed permission form is provided to the school.** If this form is not completed and turned into the student's first period teacher by Thursday, May 23rd, students will be expected to stay in the building all day. As always, as students enter and exit the building, they will be required to sign in and out.

Please complete the attached permission form regarding open campus finals and return to their first period teacher no later than **Thursday, May 23rd.**

Sincerely,

Alan J DuBreucq
